

A good, responsive Member of Congress is often best judged by the staff he or she has. By that measure, I am blessed to have some of the most talented young men and women working with me as together, we work for you, the people of Alabama's First Congressional District.

I am always available to personally return your phone call or answer your correspondence or e-mail; however, often, a member of my staff can help answer a question just as easily as I can.

Due to the events of September 11th and subsequent incidents here in our nation's capital, mail delivery to my Washington office is still experiencing lengthy delays. To expedite a response, please mail your correspondence to the Mobile office, fax it to either office, or send it electronically through this web site via [e-mail](#) .

Please remember -- if you are contacting me regarding a personal problem with a federal agency, I will need your full name, return address, phone number and appropriate identification number (i.e., social security number, VA claim number, USCIS receipt number). In lieu of writing a letter, you may fill out an electronic Privacy Release Form on this web site.

Note: Be assured that the e-mail and postal mailing addresses provided to my office through this website will be used by my staff for official purposes only and will not be distributed to any outside office or organization.
